How does single payer healthcare work?

Single Payer Universal Healthcare

it's just better!

How does single payer healthcare work?

1 Businesses and residents pay affordable premiums to the government.

Single Payer Universal Healthcare

it's just better!

How does single payer healthcare work?

1 Businesses and residents pay affordable premiums to the government.

2 The government funds a public health insurance plan which reimburses doctors & hospitals for care provided.

Single Payer Universal Healthcare

it's just better!

How does single payer healthcare work?

- 1** Businesses and residents pay affordable premiums to the government.
- 2** The government funds a public health insurance plan which reimburses doctors & hospitals for care provided.
- 3** **Everyone is covered. Period.**
It's that simple.
